izing federal food programs as steps toward a comprehensive nutritional policy.

Another co-director, Mike Nichols, figures there are two other trade factors: larger and more diversified organizations increasing their market shares and less product upgrading. Nichols said: "If you spend more for a hamburger or more at the restaurant than you would for the same meal at home, that's called upgrading and as food prices go up in relation to other goods and services, spending for upgrading slows."

As if we all did not have enough problems, the picture gets fuzzier as the Government meddles. Since USDA's Card Tucker Foreman decided to nominate himself head nanny for all the school kids and other equally eager beavers in Government have been able to twist the language around so that what used to be breakfast food, or snack food, has all of a sudden got to be junk food, and other bureaucrats have made us aware that just about every thing we do, eat, wear or breathe is deadly and ought to be eliminated or at least carry a warning label.

This present flap over nitrates & nitrites is a good example. We have had more trouble than we care to think about from food poisonin, viruses and belly aches of one kind or another as we have waded our way up & down the highways & byways as a news person over these many years. Frankly, we have read all about how most of the simple joys we have in food and drink and tobacco are gonna kill us dead as sure as fate. However, since the Government has decided to regulate just about every thing, we have been doing considerable thinkin' about how they ort to handle their end of this business.

If it comes to a choice between what I like and want to do and what the self-appointed Dictators in Washington think I ort to be doin', I figger we can work out a stand-off with which both of us can live with. All they got to do is folter the program they use on cigarettes. Just print a warnin' label on meat with nitrates and I'll let someone else enjoy the hotlium with their nitrateless meat. The same with sugar, snack food, etc. Just warn me, and I'll self-destruct if I feel like it.

They might provide a combination comb and tooth brush and this would

portect th' kids from tooth decay. They all carry a long handled comb to bet their scalp locks with, so why not put a tooth brush on the handle and they can exercise their gums after they eat nature's great natural food - Sugar. This ort to satisfy 'em, and it'd sure put 'em a lot better to be let alone with my bad habits.

Ever thine The Eddier. P. S.: Uncle Dunk sole where one of th' many Govmint projects was to do without would seem to be the only called Endnored Species Science Authority. It seems to have enough ability to symbo our civilization in favor of varmints of most all kinds, and that sure don't help none. Dunk reports a fellow th' other day called for "honest money". He figgered that inflation keeps gain' a kid whose college education now costs \$7,000 a year, will need \$62,639 per annum in less than 20 years. An average house at today's values will be sold by your kids for almost \$2.5 million provided you are a young person just out of college and startin' your career! That 8% annual inflation at this time sure adds up! Thassell, Brothers!

Hay Situation Becoming Critical

percent below normal in some areas. With a drop in production of 30 to 40 percent common in most counties," points out Dr. Neal Pratt, forage specialist with the Texas Agricultural Extension Service. This, following a severe winter that necessitated heavy feeding, has left hay stocks extremely low.

"Unless we get some good rains quick, there will be little more hay made this year," adds Pratt. "So producers will have to make some choices soon on feed for their livestock this fall and winter. Hay is available from other states but the cost is high. Grain supplies are good and prices should be reasonable, so producers may want to consider stocking up on grain and other feed supplements. Of course, winter pastures can also take some of the pressure off feeding if there is sufficient moisture."

Cattlemen Urge Import Quota Law Changes

passage of an amendment to the Meat Import Quota law that would complement the supply of domestic beef. Texas Cattle Feeders Association directors joined in this effort.

The group, headed by TSCRA Vice Presidents John S. Cargile of San Antonio and Frisco Sealington of San Antonio, found excellent response from their congressmen in favoring the establishment of a formula for importing more beef when domestic supplies are low and less when those supplies are high. The cattlemen also urged the lawmakers to restrict the President's power to intervene.

The Texans were joined by 100 live-

UT Farms Angus "New Era" Sale

Oct. 4, Tuttle, Okla.

Tuttle, Okla. — Dr. and Mrs. Allen Greer and Pat & Norma O'Bryan, owners of UT Farms, will hold a "New Era" Event Wednesday, Oct. 4 at the farm near Tuttle, Okla. The sale will also include guest consignments of 18 pairs from Tom & Shirley Bomford Farms at Miami, Okla.

Pat O'Bryan, Angus breeder, farm manager and sale manager, said, "Dr. Greer and I found out a long time ago there's no substitute for quality. We have been building a quality herd over the past several years and now our herd is producing an consistently that we are able to offer some of our very best females in this first 'New Era' sale at UT Farms, cattle world of the UT Farms name and tradition."

The 100 lots include 27 three-in-one packages and 80 cows with young calves.

The sale features the get-a-service of Sayre Patriot, grand champion bull, 1978 National Livestock Exposition; grand champion bull, 1977 Illinois State Fair and North American Livestock Exposition; senior champion bull, 1978 American Angus Futurity, Louisville. QUALITY MOST IMPORTANT

One thing stands out among things we have learned as an Angus breeder, farm manager, and sale manager. That one thing is that there is no substitute for Quality.

Here at UT Farms, we have been building a quality herd over the past several years. Now our herd is producing so consistently that we are able to offer some of our very best females in this first "New Era" Sale at UT Farms. Dr. Greer and I decided a long time ago not to sell any cattle until we could offer those worthy of the UT Farms name and tradition.

You will find many attractive 3-in-1 combinations in the sale, great cows with calves at side and bred to the popular young Champion, Sayre Patriot.

NEWS about LIMOUSIN

Around The Limo Loop

By KEN HOLLOWAY and BRUCE BROOKS

Usually as we start our monthly Limo-Loop conversation, there is some mention of our weather. Well, the weather hasn't changed in the great south-west in so long, we can well summarize it in three words... HOT AND DRY! And besides, we need the space to acquaint you with the many, many upcoming Limousin events.

To start the ball rolling — on Thursday, Sept. 28, the Limousin spotlight will fall at the State Fair of Oklahoma with the Oklahoma Limousin Exposition Show. Since no sale is scheduled, this will be an excellent opportunity to see the premiere showing of many of the outstanding cattle to be exhibited this fall.

The following week will find us at the Tulsa State Fair on Oct. 6, for the Open Limousin Show; again no sale is scheduled.

Oct. 7 is the day chosen for the Ozark Classic. The Classic will feature a tremendous offering of Limousin including several hundred females, many with calves at side, as well as an excellent offering of American Purebred females, both bred and open. These cat-

tle are being consigned from many of the top breeders in Northeastern Oklahoma and Northwestern Arkansas. Be with us at the Royce Nease Ranch, Gravette, Ark., for the Ozark Classic.

The Limousin market has been very strong and in demand in most all of the '78 spring, summer and early fall Limousin sales. Recently, at the Bates Limousin Ranch was once again proof of the demand for quality percentage Limousin. After a day long active sale and a great crowd, the end result was 176 lots selling for an average of \$1018.

Just prior to the Bates Sale, Wiggins Ranch Company held their "Service of Champions" Limousin sale. Again a large crowd was on hand with their "hiding shoes on" to witness the WRC program. At the end of the day 118 lots passed through the auction arena for a strong average of \$1087. Don't forget the Oklahoma Limousin Bull Test to begin Oct. 7, 1978, at the Connors State College facility, Warner, Okla. The test will conclude in March '79, with a sale for the test bulls scheduled in April. However, it is not mandatory to sell. For further information concerning the bull test contact Ken Holloway at 405/367-2705.

Marvin Nichols To Judge \$20,000 Limousin Futurity

MARVIN NICHOLS

Marvin Nichols of Ankeny, Iowa has been selected to judge this year's World Limousin Futurity at Kansas City, Missouri on Monday, November 13, 1978. The show will be held in conjunction with the American Royal and the Annual Limousin Convention and is scheduled to start at 8:00 a.m.

Marvin is known around the world as a competent judge of cattle and has judged several national shows for many different breeds. Marvin is a veteran showman and has shown many grass and reserve champions of his own. He is a well respected Charolais breeder and is a partner in the Hawkeye Breeders Bull Stud. He will be judging the largest Limousin Futurity ever held in this country since the breed's beginning in 1908. A sale of the top placing cattle is set for November 14 at 12:00 noon. For more information on the World Limousin Futurity Show and Sale, contact NALF, 100 Livestock Exchange Bldg., Denver, Colo. 80216.

Oklahoma Limousin Exposition, Sale Set Sept. 27-28

Oklahoma City — The Oklahoma Limousin Exposition and Sale sponsored by the State Fair of Oklahoma and Oklahoma Limousin Association will be held here Friday, Sept. 27, through Friday, Sept. 28, 1978. The sale will be at 7 p.m. Wednesday, Sept. 27 in the Beef Cattle Barn on the fairgrounds. The Oklahoma Limousin Exposition Show will be Thursday, Sept. 28, at 9 a.m.

The show will have percentage and purebred classes for both females and bulls, of 75 percent or greater Limousin blood. Dr. Gary Kirsh will judge the show. Premiums totaling \$8000 will be awarded.

Bred Superintendent and sale manager is Ken Holloway of American Cattle Services, Inc., Route 2, Chattanooga, Okla. 73528, phone 405/587-2418.

Budrick Farms... We Just Plain Proud

Yep, we're proud here at Budrick Farms and we think we have a right to be. We're proud that we have had the opportunity to be a part of one of the fastest growing breeds in the U.S.

Limousin cattle have definitely made an impact on the beef industry, proving their worth by increasing weaning weights and improving carcass quality.

Even though Budrick Farms is in a stage of transition — turning from a purebred operation, the transition has been made in an upbreeding situation — starting with foundation cows and progressing through to the purebreds. Granted, this process has taken several years, which allowed us to more closely observe every trait. After all of this... the more we breed 'em, the better we like 'em.

Courtney, Madill, Ok.

Again the Oklahoma Limousin Association will sponsor a Limousin federal sale, Monday, Oct. 23, 1 p.m., at the Oklahoma City Stockyards, Oklahoma City, Okla. Last year's sale saw calves sold by percentage Limousin bulls sell for \$2.00 per hundredweight more than other cross-bred calves. For more information contact Ken Courtney at 405/585-3887 or Ken Holloway at 405/587-2419.

There are many outstanding Limousin events scheduled for the fall. Check the upcoming events calendars and make plans to attend. The World Limousin Futurity and convention is scheduled for Nov. 11-14 during the American Royal Livestock Show, Kansas City, Mo. This will mark the 10th Anniversary of Limousin and the 5th Annual World Limousin Futurity. The Futurity and Convention have always been exciting events and this year will be no exception.

We hope to see many of our Limousin friends this fall. The market is good and we have a product that is in demand. Let's spread "the word".

12 similar bull-calf pairs that averaged \$1,520; 7 halfblood cows with three-quarter calves that averaged \$820 per pair; and 28 head three-quarter females that averaged \$700.

The sale was topped by Golden Japones, a fullblood four-year old cow, purchased by Hough & Patrick Limousins of Miami, Okla., for \$11,500. Blingham Limousins of Aubrey, Texas, bought the second high selling lot, 31 Jancha AV Hagadai, bred to Galdon Rod, for \$8,900.

Next high selling lot was the full-

blood cow Golden Jeanne purchased by Jimo-Tex, Houston, for \$4,100; with her hoffer calf going to Clear Creek Ranch, Fortstock, Texas, for \$2,000, for a total of \$6,100.

Two bulls shared top selling honors at \$3,000 each: WRC George Ockio, to Prairie Knoll Farm, LeRoy, Ill., and WRC Sun Risk, to Royce Nease & Sons, Gravett, Ark.

Volume buyers included: Billy McKinney, Yoakum, Texas; Royce Nease & Sons; Iddis Limousins Ranch, Reedsville, Ok.; Kent Choseburn, Fresno, Calif.; and Freeman Morgan, Houston.

Rain and breeder enthusiasm were the highlights of the Bates Limousin Ranch "Chance of a Lifetime" Sale September 21 at Kowale, Oklahoma. 450 Limousin breeders were on hand to take home the 178 lots of purebred and percentage Limousins offered in the sale.

Buyers from nine states big a total of \$180,740 for all the cattle in the sale to bring the average to a strong \$1,027. The 21 purebreds in the sale averaged almost double the sale average and the percentage cattle stayed strong throughout the sale to leave little doubt of the optimism of cattlemen in the "Carcass Breed".

Bates Limousin cattle went as far away as California, South Dakota, and Illinois to give an indication of the interest in the breed throughout the country. Kowale Limousin Ranch,

Horton, Kansas, paid \$8,200 for the high selling animal in the sale, a son of Espoir CIM 8. This high pair, a 7/8 cow with a 15/16 calf, went to Phelps Farms, Seminole, Oklahoma, for \$3,000 and the high female sold to Ron Oarnermann, West Point, Nebraska, for \$2,050.

Doermann was the volume buyer in the sale with 74 lots. Other buyers in the sale were: Jerry Dickinson, Canadian, Texas — 19 head; Allan Steinbender, Tulsa, South Dakota — 12 head; Mike Becker, L & M Ranch, Russell, Kansas — 11 head; Pondorosa Farms, Modesto, Illinois — 9 head; and David Farms, Lexington, Tennessee — 9 head.

Refineries, petrochemical, natural gasoline or other processing plants are located in 143 Texas counties.

Dave Hawkins Judges National Limousin Junior Heifer Show

DAVE HAWKINS

The National Limousin Junior Heifer Show will be held this year to Kansas City, Missouri in conjunction with the 1978 American Royal. The show is scheduled to start at 1:00 p.m. on Sunday, November 12, 1978. The judge for the show will be Dr. Dave Hawkins from Michigan State University at East Lansing, Michigan. Dr. Hawkins is in charge of the very successful purebred Polled Hereford and Angus herds at the University of Michigan. Up and this past year he has coached the stock judging teams and is known across the U. S. as a highly respected cattle judge. He has been involved in research dealing with beef cattle production and is experienced in all phases of the beef industry. Hawkins is in charge of the MSU show cattle and will also be one of the judges for the National Limousin Junior Heifer Show scheduled to follow the Junior Heifer Show.

For more information about the National Junior Heifer Show, contact NALF, 100 Livestock Exchange Bldg., Denver, Colo. 80210.

Glen Klippenstein To Speak At Limousin Meeting

The annual meeting of the North American Limousin Foundation will be held on Tuesday, November 14, 1978, at the Muehleback Hotel in Kansas City, Missouri. The event is scheduled to start at 8:00 a.m. with breakfast and program followed by a session of Directors.

This program will be headed up by well known cattle breeder, Glen Klippenstein of Maysville, Missouri. Klippenstein has been a leader in the Polled Hereford and Hereford breeds for many years, emphasizing performance and profitability with his cattle to be commercial men. He has been showing cattle for several years and has started to breed cattle that have high performance and fertility and can still win in the show ring. Glen Klippenstein and his new Angus breeders and have recently topped the All American Angus Futurity with the Grand Champion Bull that was named the Supreme Champion and the Reserved Champion Bull. Glen's remarks will be directed toward "The Pursued Cattleman's Philosophy" or "Small Thinking People Never Get Anywhere".

Texas Brangus Breeders Association News By LAUREN MAYHEW

Proven producers were in the spotlight at the Choyas-Brink's General Influence Sale, August 12th in Kerrville, Texas, as 28 1/2 lots grossed \$838,050 for an average of \$5,282. Most lots in the sale were either sired by "General", Brink's Caravan 861/0, bred to General, or had the "General" influence in their pedigree.

A 1/0 interest and 1200 ampules of semen in the golden cordillid meat sire brought \$19,100 from J. F. Sanderson, Pine Lane Ranch, Laurel, Ms., to start the sale. "General's" dam, Queen of Riverby 042/0, an 11 year old daughter of Riverby Nomad 805, sold for \$20,000 with a February 1978 Heifer Calf at side, to P & P Farms, Union, Ky. Highlight of the sale was the top selling female, Miss B5 General 826/0, daughter of General bred to WSR Cloud 842 going to Salam Brangus, Winston-Salem, N.C. for \$30,000. Top open heifer was Miss BB Patton 956/0, granddaughter of "General", selling to Hondo Creek Ranch for \$9,000.

A young Choyas herd sire prospect, "Major General", Brink General 779/2, son of General, brought \$10,000 for 1/8 semen interest and two breeding rights going to Willow Springs Ranch, Burton, Tx. and Dr. Richard Hundley, Brookshire, Tx.

A total of 21 buyers from five states purchased cattle at the sale with Hondo Creek Ranch, Sanders, Tx., the volume buyer taking home lots totaling \$107,800. Clayton & Modesta Williams hosted their First Production Sale at the ranch near Alpine, Tx., selling 69 5/8 lots to average \$4,228. Top selling bull was a son of Rocky Joe 850, Pueblo Joe 217/7. The highest selling calf at Williams Brangus last year, this bull had a 208 day adjusted weight of 728 pounds. He brought \$11,000 on a bid from Brink's Brangus, Round Top, Tx., and Brazos Valley Ranch, Simonton, Texas for 2/8 interest and full possession. Two show seller prospects by Rocky Joe 850 each sold for \$8,000 with Miss Williams 826 2/7 going to Plum Creek Ranches, Fairfield, Tx., & Miss Williams 850/54/7 selling to Douglas Brice, Lenkey, Tx. and Brink's Brangus. Two females also share the top selling honors in bred heifers, each bringing \$7,000. Miss Williams 228/8 by FW Georgia Boy 228/8 sold to Plum Creek Ranches and Miss Williams 498/7 went to Brink's Brangus and Windy Acres.

Following the sale, Clayton & Modesta Williams, owners of Williams Brangus, and Ted & Addie Gray, co-hosted a post sale celebration which featured Larry Davis and the Nash-

BRANGUS For Feeder Calf Profits.

Black Baldies, (Brangus/Hereford crosses), are in strong demand by feeders and bring top market prices for you!

Black Baldies are an ideal feeder animal. Ask any commercial cowman about the great calves with "a little ear". Medium-sized at birth, they make calving easy for any type of cow. They gain quickly on feed or forage, and average 75 to 100 pounds heavier at weaning than English breeds.

Brangus feeders mean fewer problems for the operator because they are adaptable to climactic extremes and are pest and disease resistant. But most important, Brangus feeders are consistently PROFITABLE. They lay down internal fat early and finish early with enough marbling to grade choice. Brangus calves are preferred — by stockers, feeders, packers, and consumers. If you want PROFIT, you need BRANGUS!

LB Liliana 120/6, a September 1976 daughter of DLC Mr. 75/3, could be a welcome asset to your present cow herd. This tremendous heifer is safe in calf to Mr. JWH Tom Tom 68/3 (a full brother to Tom Tom 68/2 — CMS.) This year he outperformed all other Leonard Brangus herd bulls by siring the heaviest weaning calf crop to date! Watch for this bred female to sell at the Pan American Brangus Classic, Oct. 6, at Dallas, Texas.

Granada Brangus Sale Set Sept. 30 At Marquez, Texas

Marquez, Texas - Granada's fourth annual Brangus production sale will be held Saturday, Sept. 30 at 12 noon at the ranch near here.

Jim Eller and John Maurer, both of Bryan and Granada Ranches, sold the offering. 70 lots will feature a herd sire prospect by Rocky Joe 650; 30 bred and 15 open heifers by "General". Rocky Joe 650 and Tita; and 25 cow-calf pairs with calves at side by the same three bulls. Service of DMA Champ 633 will also be featured.

The bull being offered for sale is GLC Ace, considered to be the best yearling bull produced by Granada. By Rocky Joe 650 and out of a good cow, he has a 205-day weight of 735 pounds, 365-day weight of 1220 pounds, and was born July 26, 1977. Two thirds interest in him.

The International Brangus Breeders "Guidelines" approved sale will be managed by P&F Cattle Co., Box 807, Bellville, Texas 77418, phone 718/865-9618, from whom catalogs and information will be available. Our Girl Friday . . .

By ANN SYLER

I have just heard the most incredible thing! The Postal Department is in the process of adding four more numbers to the zip codes — which, they say, will make for more efficiency. This will mean nine numbers, like 987654321 — and can you imagine the proof-reading that will have to go on in as office, because if one number is wrong the mail will go astray! I am the person who makes a very poor navigator, even, because I don't like going by numbers. I'd much prefer just to go from "town to town" and not "highway number such and such" — end, I'd still prefer the mail travel this way — just to a town and not to a number that takes up half the width of an envelope. And I am always immediately suspicious of anything that "makes it more efficient." Computers are supposed to aid this "efficiency" in our world — and have you ever known that is work?

The answer is gone — and where? But I can't say that I am sorry. It has been an unusual time, in Texas at least — a time of severe drought in our normally rainy areas and a time of rain in our arid areas — we have had heat waves to break all existing records, both for the length of time they covered as well as for their intensity; and we have had record breaking floods. But then, on the brighter side, we have also had record-breaking Brangus sales! We had one record-breaking sale of a burro (I believe in other areas they are called "donkeys") and I'd better back up and say we had "what we believe to be" a record-breaking sale of a burro. At Clayton & Modesta Williams' sale in Alpine we sold one for \$3,000.00 — and sold their Brangus cattle for an average of \$4,250.00. (Incidentally, Kenneth Wendland approached me after the sale to perhaps form a "joint-venture" for

(the marketing of burros?)

It has been a summer that found us home only 9 days in June; 5 days in July and about 10 days in August (I haven't looked back on the calendar yet, and counted for sure, but in thinking about this I believe the 10 days will be a little high). We have traveled all over Texas, all over the Southeastern United States; have covered the state of Oklahoma from corner to corner (my 8 year old grandson calls it Hokahoma — our wonderful Mexican foreman still refers to it as "Hoop-la-tuna" — we had a pasture of cows years ago that we had always known as the "Hoop-la-tuna" cows; we journeyed to Missouri, Kansas, Nebraska; we left not an inch of Arkansas unturned — All of this in preparation for the Fall Brangus sales. These begin officially with Granada's Production Sale on September 30th; on October 6th at the "Pee American Brangus Classic" which set a record last year at Dallas by out-averaging all breeds sold at Dallas (and it would behoove us in the

Page 20A WEEKLY LIVESTOCK REPORTER September 21, 1978

Brangus breed to see that this contest) — followed the next day by Diamond N's Annual Production Sale. Be sure and see the schedule of events for this great week-end in our personal edition which is in this issue. And check all the other calendars for the Brangus sales in an area near you.

Matt and I have just celebrated our 28th wedding anniversary. September 2nd — with Paul and Georgia Bore, who also have a September 2nd anniversary date. While in Ft. Worth with them we always visit a dining place with a menu that I "steal" (I'd rather say "keep for a souvenir", which is what they request that you do) from which I have over the years used for quotes in this column. For instance, they print "Little Gems of Wisdom" — "Concili is God's gift to little men." "Sometimes one pays most for the things one gets for nothing." "To be little is to be little." "Men do less than they ought, unless they do all they can." "The vagabond, when rich, is called a tourist." "There are people who make no mistakes because they never try to do anything worth doing." "There is no right way to do a wrong thing." "They always talk who never think." AND "When in doubt, mumble." I was sitting just today in a restaurant and overhearing a conversation — not really eavesdropping or even registering what I heard (about a 38 year old man in the small community who had just died of a heart attack) — until one man said "There's a lot of them here that shouldn't be —"

Page 20A WEEKLY LIVESTOCK REPORTER September 21, 1978

and a lot of them gone that shouldn't be." Don't we all hope this is sold of a someday? — the latter, that is.

Oklahoma Brangus Sale Averages \$913

Paul Valley, Okla. — In the Oklahoma "Home of Brangus" consignment production sale here Sept. 9 the 80 lots grossed \$51,150 for an average of \$913. Syler Sales Management, Inc., Burton, Texas, managed the sale and was assisted by Gerald Bowie, West Point, Okla.

Three bulls grossed \$4,150 for an average of \$1383; 10 pairs sold for \$4575 to average \$1144; 12 bull calves grossed \$1144 to average \$950; and 70 cow calves grossed \$19,050 to average \$190.50. Buyers representing four states were in the large crowd at the International Sales Arena.

Travis Brown's Robinwood Farm, Oklahoma City, topped the sale with a bid of \$2700 to purchase a cow with calf at side consigned by Dr. John C. Carson, a R.R. Brangus Farm at the time. Don and Bill Edwards of Dallas, Texas, purchased a \$1800 cow, a second high selling lot, a bred cow chased on order by Billy Paine of Boyd, Texas. The third high selling lot at \$1850 was a cow with bull calf at side, consigned by the late, signed by Bernard Elumachi's late Creek Ranch, Muskogee, and was sold.

Texas Polled Hereford NEWS

by Norman Cabaniss

A full slate of Polled Hereford activities is scheduled for late summer and fall, not the least of which is the Texas Polled Hereford Association Membership Drive. The drive was launched with the September mailing of the TPHA Newsletter and each member is asked to contact potential members and follow breeders across the state and encourage them to be a part of our association.

Coming up this weekend is the Floyd Chapman Polled Hereford Dispersal, September 23, 1978, at the ranch located 1 mile south and 1 mile west of Campbell, Texas. Also included in the sale will be a top group of cattle from the J. J. Smiddy herd at Sulphur Springs, Texas.

The Texas East Polled Hereford Association met at Tyler, August 19, with 38 members and 5 guests present. Gayle Ingram Quintana was the speaker for the meeting and talked about the importance of advertising our product to sell beef. Ingram outlined a 10 point program for advertising in today's market. Now directors elected were Mrs. Mark Russell and Mr. Alvin Wilson. Andy Glase of Gilmer was elected President. Don Smith of Canton is Vice-president, and Sandy Glase is the Secretary-Treasurer.

The Texas East Polled Hereford Association Sale was set for Dec. 9 at Mills. The sale committee is D. T. Carter, Don Smith and Don Harborne.

28th and 29th "Texas Polled Hereford" Ranches have scheduled their annual bull sale for Oct. 30 at the ranch near Killen. This top offering of Polled Hereford cattle includes a selection for both registered and commercial breeders. The sale is being managed by the Texas Polled Hereford Association.

The Texas Junior Polled Hereford Association met August 20 at President Kay Halfer's home at Mansfield, Texas. Plans were discussed for the 1979 Preview Show and the 1978 Junior

Polled Hereford activities at the State Fair of Texas at Dallas. The juniors also selected Jim Carroll of Corsicana, J. L. Beasley of Hawley and Jo Marie Neal of Sulphur Springs as adult representatives to help with Junior Activities in their areas.

The Central Texas Polled Hereford Association was host to 3 foreign visitors at an August 19 meeting at Meridian. The visitors were Mrs. Margarita Samayoa and son, Jose Roberto and Juan Frederico, of El Salvador. The Samayoa family operates one of the largest ranches in that country and were the guests of Mr. and Mrs. George Chase of Waco.

The CPHA Show and Sale is set for October 27-28 at Clifton. All Polled Hereford breeders and interested cattlemen are invited to attend the show at 12:00 noon, Oct. 27 and the Annual Meeting and banquet at 7:30 p.m. The Sale is set for 12:30 p.m., Oct. 28.

Wool & Mohair

National Wool Market Review, Sept. 15 (USDA) — Confirmed trading on domestic wool very limited outside of the interest shown at the North Central Sealed Bid Sale in Boston on Tuesday. At that sale 984,000 lbs. of wool was offered and sold at prices 5 cents to most-ly 10 cents higher than recent sales of comparable wools. No sales confirmed late in the week. At private treaty near 200,000 lbs. 62's and 64's eight-month wool sold in Arizona from 80 to 88 cents, mostly 65 to 67 cents grease job. Trading on mohair slowed this week. At Bonora on September 8 248,000 lbs. original average sold \$1.15-1.18; fine adult 5.30, kid 7.90 but subject to discounts for defect on take-up.

Beefmasters, Art Works to Sell At Fort Worth Oct. 6

Fort Worth — Original water colors, oil drawings, oil paintings, etchings, woodcuts, bronzes and other works of art selling along with complete dispersal of the Lick Skillet Beefmasters herd at Fort Worth Livestock Exchange Oct. 6 might seem strange to some, but to Lionel Bevan III, one of the Lick Skillet owners, it's a very normal thing.

Bevan started in the Beefmaster business five years ago in Mississippi after purchasing a Beefmaster bull to use on his commercial cows. Bevan has since moved to Fort Worth and somewhat incidentally became involved in the arts as such a point that now his "Evaluating Productions" firm is larger than the cattle operation.

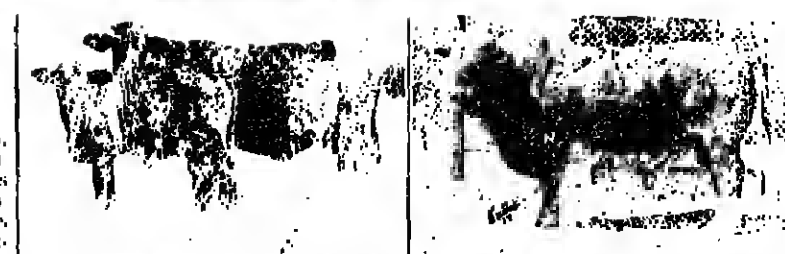

"In fact, Lick Skillet Beefmasters is now a subsidiary of Evaluating Productions," Bevan said.

"Evaluating Productions will be presenting a dual offering of the Texas heritages that has moved from regional acceptance to national recognition — the heritage of its livestock and its art. The auction includes the complete dispersal of 115 Beefmasters and a line selection of Registered quarter horses, as well as about 90 works of art by some of the most famous artists who are rapidly gaining a wide recognition," Bevan said.

This art showing will be the first time, for instance, that two Fort Worth brothers and a sister will have ever shown their original paintings together. They are Scott Gantling, Stuart Gantling and Susan Gantling, whose original paintings will show courtesy of The New Gallery in Fort Worth.

Also to be shown and sold are ceramics by John Fleming and Todd Christensen; woodcuts designed by Robert Wade and other contemporary artists; drawings by Dennis and Daniel Baggs.

Bevan said to define a trend; heifers also rather slow and not fully established, limited sales steady to weak. Demand good and buyer inquiry fairly broad but dealers maintaining a firm position. Steers Monday 400. One set choice 2,4 1125-1150 lbs. 55.50. Heifers confirmed Monday 1,550. Choice 2,4 980-950 lbs. 53.00-53.50.

Top Beefmaster cow with good calves like this are typical of the 115 head to sell in the Lick Skillet Beefmaster dispersal at Fort Worth Livestock Exchange Oct. 6. Like many of the other cows in the herd, Lionel Bevan selected this cow as a heifer from the Las A. Jack & Sons Lj Bar Ranch herd at Pleasanton.

pastels and acrylics by Kurt Lumpkins; an original by Fritz Schelder, and more. The art works will be shown and sold in the lobby of the Livestock Exchange Building at noon Oct. 6, and the cattle sale will begin in the sale arena about 1:15 p.m. that day.

The Beefmasters selling include 40 pairs, most three-in-one packages; 30 bred cows and heifers; three open heifers; four bulls including the Lick Skillet herd sire, Sid; and 10 registered Quarter Horses.

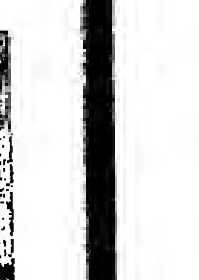

The Beefmasters are pasture raised and performance tested by New Wave Agricultural Production Systems, a total management concept originated by Bevan. The heavy milking cows consistently wean calves that weigh 600 pounds or more at six months of age. The Lick Skillet cows come from the top performance tested herds in the Beefmaster World including Jocko, Cheekos, Gansrotter, Herring, Hix and Leaster.

An example of the extreme growthiness of the Lick Skillet Beefmasters is a Leaster bred herd sire that pasture gained 240 pounds in 45 days.

Although the Lick Skillet herd owned by Bevan and Barney Holland will be completely dispersed, Bevan plans to remain in the Beefmaster business and add a herd of Longhorns with the cattle to be run on land he has leased at Benbrook, southwest of Fort Worth.

A part of the Lick Skillet herd is registered with Beefmaster Breeders (Universal), with some "papered" with the National Beefmaster Assn. and

Sid, Lick Skillet Beefmaster's herd sire who weighs 2000 pounds in range condition and consistently sires calves that wean at six months of age weighing 600 pounds or more, will have at least 30 calves at side of their dams, and the dams rebred to Sid in the Lick Skillet Beefmaster dispersal sale at the Fort Worth Livestock Exchange Oct. 6.

This is one of the good Beefmaster bred heifers selling in the Lick Skillet dispersal Oct. 6 at the Fort Worth Stockyards. About 30 pieces of art in many forms will be sold in the Livestock Exchange Building lobby at noon prior to the cattle sale.

come with the Foundation Beefmaster Assn.

"When we saw the fine job of remodeling just being completed on the Livestock Exchange building and stockyards, we thought something should be done to show off the improvements to as many people as possible, and we could think of no better way of attracting a cross section of viewers than having a combined art show and sale and a cattle and horse sale," Bevan said. Murray Handle Beefmasters, Granbury, will be a guest consignee to the sale with 14 head.

Replacement Cattle
Post Gains Again
During Past Week

St. Joseph, Sept. 15 (U.S.A.) - National feeder cattle and calf prices this week 288,900 compared with 220,000 the holiday shortened week last week and 298,400 a year ago.

For the fourth consecutive week prices for feeder cattle and calves recorded substantial gains. Although numbers were materially increased over recent supplies, optimism prevailed in view of additional price increases for slaughter steers and heifers.

Feeder prices over the nation generally ranged steady to 3.00 higher. On the other hand, calves had choice steers under 600 lbs. 2.00-2.50 off. Most prices and trends were established prior to the release of Thursday's Cattle on the Report which reported an increase in numbers on feed in the seven states 18% and record placement on feed August of 1.74 million head.

One can only wait and see what the price levels in subsequent trading sessions for feeders; however, the cattle futures saw prices for the week months September thru May, fell 1.32 to the limit 1.80.

Maine-Anjou Sale Set Oct. 7 In Waco Fairgrounds

Waco — The Texas Maine-Anjou Association will hold a consignment sale in the Red Barn on the Heart of Texas Fairgrounds here Oct. 7 at 8 p.m., according to John Rogers, Waco, sale chairman.

Rogers said the offering of 70 lots will include fullblood bulls and bred heifers; purebreds; bred and open three-quarters; and bred half-bloods. Also available will be Brah-Maines and registered Black Maines.

Sale headquarters will be the Quality Inn West 4801 W. Waco Drive, phone 817/772-7830. A pre-sale party will be held at the site beginning at 9 p.m. Oct. 7, prior to the sale.

Paul Leonard III, Fort Worth, president of the association, said "This will be the finest offering of Maine-Anjou ever put together for a sale because the breed is older and the quality has constantly improved."

For further information contact John Rogers, Sale Chairman, Waco, Texas, phone 817/753-8712, or Paul Leonard III, President of TMAA, Fort Worth, phone 817/335-4261.

Japanese Food Buyers Coming

A Japanese Food Mission will be visiting the U.S. next month. More than 100 Japanese food importers will travel to five cities on a buying mission October 15-29. The team will see food displays of U.S. products in San Francisco, Portland, Chicago, New York and New Orleans. In the group will be buyers from the leading supermarkets, dept. stores, wholesale firms, and trading companies in Japan.

A purchase of over \$14,000 was awarded to the top notch Calcutta steers.

Steer Calcutta Test In Maine-Anjou Favor

The American Maine-Anjou Association, in conjunction with the Cactus Feeders, Inc., fedlot in Cactus, Texas, recently announced the final results of the Steer Calcutta Test.

After being on test for 140 days, the thirty 3/8-blood or better Maine-Anjou steers were judged on carcass conformation with particular attention paid to quality grade, yield grade, and percent of retail cutability.

Champion Carcass was won by a Maine-Anjou Harford bred steer owned by John Rogers, Waco, Texas. Rogers' steer had an 18.0 lb. ribeye area, a live weight of 1430 lbs., had a 32.2 lb. carcass weight, and a yield grade of 1.7. Reserve Champion Carcass was awarded a Maine-Anjou steer out of Covino III and owned by C & F Cattle Co., Brownwood, Texas.

This outstanding steer dressed 84.2% and has a USDA yield grade. Third Place Carcass honors were captured by a Maine-Anjou/Angus cross that turned in the highest dressing percent of any animal on test at 72.0 percent, and also had the highest percent of retail cutability at 62.8.

Fourth Place Carcass was won by the Jim Ned Cattle Co., Coleman, Texas. Their steer was also a Maine-Anjou/Angus cross and turned in an average daily gain stat of 3.75. Fifth position went to a steer owned by Gans Scott, Amarillo, Texas. Scott's steer was graded as having the highest percent of retail cutability (63.8), largest ribeye area per hundred weight (18.7) and had a low yield grade of 1.5.

A 1287 pound steer owned by Joe Shuman, Dumas, Texas, turned in the highest average daily gain figure of any steer on test. This outstanding Maine-Anjou steer turned in a 4.05 average daily gain. All steers on test turned in a 3.50 average daily gain.

Frank A. Orte, Meats Specialist, Texas A & M Extension Service, and official beef evaluator for the Calcutta, stated "This is the first carcass competition which I have had the opportunity to referee where such a high percent

Pioneer Days In Fort Worth Stock Yards Sept. 29-30

Fort Worth's western heritage will be celebrated in the historic Stockyards here at Exchange Avenue and Main Street September 29-30 during the 1978 annual Pioneer Days — a festival which promises to be bigger and better than ever.

Live Country and Western music will be played both days, with Red Steagall & the Column County Cowboys as well as Fiddlin' Frankie Burke, playing for a street dance in Mule Alley Friday and Saturday nights beginning at 8 p.m. Larry Williams and Roger Keith Black will provide musical entertainment at the White Elephant Saloon beer garden both nights.

Kicking off the fall rodeo season will be the Central Rodeo Association rodeo finale in the historic North Side Coliseum Friday and Saturday nights. The 1978 Pioneer Days Queen will be crowned Friday night during the parade.

All weekend, a 100-piece art exhibit featuring linoleum and winners of the Texas Fine Arts show will be on display in the Livestock Exchange Building. Booths of arts, crafts and gift items as well as concessions featuring foods will be open all day Saturday.

Stockyards Stampede, a four-day, half-mile foot race is scheduled from 10 a.m. to 10 p.m. Saturday. The race is co-sponsored by the American Cancer Society and the Fort Worth Runners Club.

New Irrigation Traveler Available

Consolidated Pipe & Tube Company, Lubbock, Texas has announced the addition of a self-propelled, small acreage traveler to their long line of irrigation sprinklers.

Known as the LITTLE DUDE model OF-380, the unit operates on a similar concept as a traveling lawn sprinkler, but throws a stream of water for a 300 foot in diameter. It pulls a 3/8" length of hose giving the unit a range of 1/8 mile, making it possible to irrigate up to three acres per setting.

The unit, which can be operated on odd shaped fields and rough terrain, was designed for small plots, estates, garden farms, parks and industrial landscapes. It also serves a dual purpose for waste disposal in dairy and hog operations, as well as municipal waste programs.

The force of the stream of water effectively which is anchored to the cab to propel the traveling unit on a straight path across the field. By shifting gears the unit can vary the speed to apply from 1/4 to 1 1/4 inches of rain.

The LITTLE DUDE has its own hose reel for easy moving and storage. The company is marketing the unit through A & T and Turf Dealers nation wide.

Hog Outlook Continues Bright

College Station — Hog production has been one of the few bright spots in agriculture for the past year or so. Producers have been receiving good prices and at the same time have kept supplies in line. And things look good down the road. "The real key to good hog prices has been the industry's resistance to over-production which is the usual response to periods of profit," points out Dr. Ernest Davis, livestock marketing specialist with the Texas Agricultural Extension Service. "Both breeding and market hog numbers have increased only 1 percent over a year ago. This means that hog operations should remain profitable through the first half of 1979 and probably longer."

CCC Credit Costs Rising

Interest rates for financing sales of U.S. ag. commodities under Commodity Credit Corporation export credit will go up one percent effective Sept. 18. Kelley M. Harrison, gov't sales mgr. for the USDA, said the new rates for six to 88 month credit terms will be 9 1/2 pct. with a U.S. bank and 10 1/2 pct. with a foreign bank repayment guarantee.

East Texas Fair Scheduled Sept. 25-30

Tyler — Attention of cattleman in East Texas will be focused on Tyler Sept. 25-30 when over 1,000 head of prize-winning beef and dairy breeding animals will be shown in competition.

Two new shows have been added to the lineup this year, Santa Gertrudis and Simmental Cattle, Murdoch said. Other shows include Brahman, Brangus, Charolais, and both horned and polled Herefords. Bill Grady of Winona is general livestock superintendent. Open shows run Sept. 25-28 and 29.

Over 500 dairy and beef breeding animals will be exhibited on Sept. 28 and 30 in shows sponsored by the East Texas Fair and Ranch club, for 4-H and FFA youth.

Dr. J. T. Pinkerton, DVM, president of the club, said that the club members will contribute \$3,000 to the premium fund for the Junior shows for 4-H and FFA exhibitors. The club also sponsors an opening day of "Howdy, Neighbor" barbecue honoring visiting livestock exhibitors.

Over 100 commercial and educational exhibits will fill the three exhibit buildings, and about 1,000 exhibits are expected in the 4-H project show in the Rayfair building. Women's building exhibits will exceed 2,000 in the home arts and crafts division.

Entertainment highlights, in addition to the Bill Hamen Shows carnival, will be an old-time vaudeville show each night in air-conditioned Harvey Hall, professional clowns will roam the grounds with their balloon giveaways, magic and trained dog acts, and each night on the outdoor stage various school bands will perform, two each evening. Special features include the

Hix Mixer Beefmaster Sole Set October 14 Near Valley Mills

Valley Mills, Texas — The Hix Mixer Beefmasters 5th production "250 Sale" will be held Saturday, Oct. 14, with lunch at 11 a.m. and the sale beginning at 12 noon at the Hix Ranch on Road 217 10 miles west of Valley Mills, Texas.

From one of the top Beefmaster herds in the world will be selling 250 head including 150 Hix Mixer herd bulls; 50 Hix Mixer open heifers; and 50 Hix Mixer bred heifers and cows. The Hix Ranches classifies all of its Hix Mixer cattle as self using the six essentials laid down by the Founders, fertility, milk production, weight, hardiness, disposition and conformation.

W. T. Hix said, "We believe there is no man who can look at a 12-month-old heifer and tell whether or not she possesses these six essentials. Therefore, our classification (since it is voluntary) is the Hix brand and our prefix name, Hix Mixers. We stand on — behind four generations of cattlemen. Our cattle are what we say and they are and what you say they are by seeing our herd and putting your own classification and price on them."

"Since we bought our first Beefmasters from the foundation herd of the breed in 1980, we have bred cattle that excel in hardiness, fertility, length, milk production, appearance, and gentle disposition with enough size to produce growthy 600-700 pound calves at weaning," he added.

The ranch is between Valley Mills and Jonesboro on Highway 217 about 10 miles west of Waco. Bert & Ruben Keyse, San Antonio, will be sale managers and auctioneers. Further information is Chapter second place, \$100.00 prize money and Nebank FFA Chapter third place, \$50.00 prize money. Longrier also stated, "there were several club calves purchased at Private Treaty from some of the breeders."

available from W. T. Hix, owner, Gatesville, Texas 76840, phone 817/865-5128; or Walter T. Hix, manager, 817/945-3223.

Bluebonnet Charolais Sale At State Fair Set For October 7

Dallas, Texas — The Bluebonnet State Fair Charolais Spectacular will be held during the State Fair of Texas, October 7, 1978 in the New Show Arena at the State Fairgrounds. Show time is 9:00 a.m. with the sale following at 2:00 p.m.

Selling will be 40 head of quality Charolais cattle including French female, and 5 full French bulls. Several of the bulls are proven herd sires. Also selling are 5 very select domestic females including several full bloods.

Sale headquarters will be at the Sheraton Dallas at Southland Center. A pre-sale banquet and dinner is set for Friday evening, October 6 at 6:30 p.m. at the Sheraton Dallas. This is the weekend of Texas-O.U. football games and observations should be made as they go through the sponsor, Bluebonnet Charolais Breeders Association, 8, Box 458, Tyler, Texas 75701, 214/586-2171.

Auctioneer will be George Keel. For sale catalog and information contact Jerry Hix, Charolais Management, Rt. 8, Box 458, Tyler, Texas 75701, 214/586-2171.

BBU Convention Sale Scheduled Nov. 4

Plans have been completed for the 1978 Beefmaster Breeders United Convention Sale that will be held at the Rex Cattle Ranch north of Dumas, Texas on Saturday, Nov. 4. The Rex Cattle Ranch Breeders Association will host the convention and the sale. Leo Roy Jordan, President of the Lone Star Beefmaster Breeders Association, announced that Rex & Ruben Royce from San Antonio will manage and auctioneer.

Agricultural Credit Act of 1978

Here are some of the details contained in the Agricultural Credit Act of 1978, which was signed by President Carter Aug. 4 and became Public Law 95-334. The new law is written in 3 portions:

Title I — Amendments to the Consolidated Farm and Rural Development Act of 1972, which change certain conditions in the existing law.

Title II — Emergency Agricultural Credit Adjustment Act of 1978, which establishes a new economic emergency loan program.

Title III — Extension and Amendment of the Emergency Livestock Credit Act of 1972, and Amendment of the Beef Research and Information Act, which change these 2 laws.

Title I — Here are some amendments to the 1972 law, which amount to changes in existing FmHA programs.

Eligibility for all FmHA ownership and operating loans is extended to corporations, cooperatives and partnerships owned and operated by farmers. This involves direct loans from federal funds, insured loans from revolving loan fund supplied by private investor money, and federally guaranteed loans by private lenders.

Limit for individual farm ownership loans is raised from \$100,000 to \$200,000 for direct and insured loans, and to \$300,000 for guaranteed loans.

Interest rates on guaranteed ownership and operating loans will be negotiated between the borrower and lender. The Secretary, however, could put ceiling on them.

Interest rate for direct and insured loans will be the cost of money to the government plus an additional charge to the discretion of the Secretary, not to exceed 1%.

Total amount available for water and waste disposal projects in any fiscal year is raised from \$300 million to \$600 million. Grants can amount to 75% of the total project cost, up from 50%.

Title II — Here are some features of the new economic emergency (EE) loan program for farmers, farmer corporations and smaller entities with temporary credit problems due to low farm prices and the shortage of funds.

The program will run through May 5, 1980.

Insured and guaranteed loans can be used for mortgage payments, operating expenses, reorganizing farm operations, refinancing existing debts and similar purposes. These loan funds cannot be used to buy or lease more land. Preference will go to family-sized farms.

Interest rate for loans for actual losses is raised to 6%, eliminating the 3% interest rate for portions of these loans. Loans for disaster-associated losses will be at the cost of money.

The Secretary can make an EE loan to an individual's farming, ranching or aquaculture operations have been "substantially affected," or to individuals in areas designated by the President. This will make EE loans more available under the new law, because the old law required the Secretary to take action.

The ceiling will be \$400,000 for individual loans. Total indebtedness for an individual or farm entity is limited to \$650,000 under all FmHA programs. Repayment may take 40 years for EE loans secured by land, and 7 years for loans with other types of security.

FmHA guarantee for the guaranteed portion is up to 90%.

Borrowers must undergo the credit elsewhere test.

Beginning or low-income farmers can use special direct and insured 5% loans for farm ownership. Payments can be reduced during the early years of a loan.

Interest rates for guaranteed EE loans will be negotiated. Interest rates for direct and insured EE loans will be no less than the cost of money to the government, plus an add-on not to exceed 1%, as determined by the Secretary of Agriculture.

Title III — Here are features of Title III: Authorization for the Emergency Livestock Credit Act of 1974 is extended from this Sept. 30 to Sept. 30, 1979. Advances of line of credit loans guaranteed under this Act made any time during the original repayment period or authorized renewal period of

Upper Sabine Hereford Association Solo Set Sept. 30 At Bonham

Bonham, Texas — The 20th Anniversary Sale of the Upper Sabine Hereford Assn. will be held Saturday, Sept. 30, beginning at 1 p.m., in the Bonham Livestock Market, Inc., facilities here. George Williams will be the auctioneer.

Selling will be 25 good quality 18-24-month-old bulls and 15 good quality females including bred and open mature cows and heifers.

Consignors are Matthew M. Butschek, Dallas; Henry C. Chappell, Pecos Gap; Dr. J. Clay Freemy, Oklahoma; Gilford Hereford, Greenville; W. C. Griffith, Leonard; Troy S. Henry, Fort Worth; W. M. Jones, Campbell; Charles A. Knight, Dallas; J. C. Kylo, Athens; James A. Loydwick & Sons, Greenville; L. B. & Patsy McDonald, Bridgeport; David B. McCall, Plano; H. C. Mercer, Ennis; James Y. Reid, Dallas; Charles E. Richardson, Sulphur Springs; Cecil O. Williams, Kemp; Troy Woolf, Bowie, and Bob F. Young, Dallas.

For information or catalog contact Bob F. Young, President, Upper Sabine Hereford Assn., 7003 Southridge Drive, Dallas, Texas 75214, or James Y. Reid, secretary.

The loan will be covered by the guarantee given 11 months after Sept. 30, 1979.

The category of bona fide farmers and ranchers eligible under the act is expanded to include "bona fide farmers or ranchers owning livestock that are fed in custom feedyards."

The Beef Research and Information Act is amended so that a majority of registered cattle producers can win a referendum under the law, instead of a two-thirds majority.

USDA is authorized to make payments to producers who carry out emergency measures to control wind erosion and damage from floods and hurricanes, or to rehabilitate farmlands damaged under certain circumstances by wind erosion, floods, hurricanes or other natural disasters. An identical emergency conservation program has been in effect since 1957 under appropriation and soil conservation legislation.

La Roca Ranch Estate To Auction Equipment Sept. 30

Cross Plains, Texas — The Estate of T. C. Stricklin, La Roca Ranch, will auction its farming and ranching equipment in a sale beginning at 12:30 p.m., Saturday, Sept. 30 at the La Roca Ranch located 13 miles north of Cross Plains between Farm Roads 880 and 2228, or it can be reached by taking Farm Road 880 off Interstate 20 between Putnam and Daird.

Selling will be a 1105 Menace Ferguson diesel tractor with cab, like new with only 656 hours use; 1850 and 1800 Oliver widefront diesel tractor; and a 544 wide-front International tractor; 1978 International Traveler with 14,000 miles; 1973 Chevrolet half-ton six-cylinder pickup; 1964 Willys Jeep; and a 1969 fnt bed dump truck. There will also be three GMC 4-cylinder irrigation motors with six-inch Pacific pumps; 12 Rein Bird Big Gun sprinklers; a total of more than 15,500 feet of four, five and six inch irrigation pipe; loaders;

discs, mowers, trailers, fertilizer spreaders; weed cutters, plows, hole diggers, and other farming equipment; plus calligrapher, WW portable loading and squeeze chutes and cattle scales and a 20-foot Wilmar metal covered gooseneck trailer.

Lunch will be available at the sale site.

For more detailed information contact Johnny Watkins Auction Service, Route 0, Box 765, Waco, Texas 76706, phone 817/881-1841.

3X Ranch Holds Centennial Fete

Pleaced, Tx. — Over 250 people attended Joe and Emily Dala's 3X Ranch "Centennial Celebration" here August 7. The guests helped the Dals to celebrate their 100th year of continuously breeding Brahman cattle by the same family on the same ranch.

Following a viewing of the 3X show cattle, guests climbed onto haywagons for a tour of the ranch and their three different types of Brahman. The Dals maintain a herd of Gray American Brahman (predominantly Gussal bloodline), a herd of American Red Brahman and a herd of gray Indian Brahman.

For information or catalog contact Bob F. Young, President, Upper Sabine Hereford Assn., 7003 Southridge Drive, Dallas, Texas 75214, or James Y. Reid, secretary.

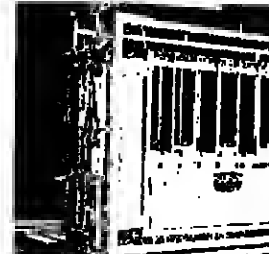

The loan will be covered by the guarantee given 11 months after Sept. 30, 1979.

Salem Brangus Buys \$50,000 Brangus Female From Brinks

(CONT. FROM PAGE 16A)

Ing abores and no possession of Miss BB Deacon 193Y for \$25,000. This makes this four year old cow the most valuable female in the Brangus breed, giving her a value of \$50,000. Salem Brangus, a new Brangus breeding firm established this year, is owned by Thomas Teague, A. G. Foster, W. D. "Doug" Foster and E. A. Myers.

With the purchase of Miss BB Deacon 193Y they also purchased breeding shares in two other Brinkas owned by Miss BB Deacon 193Y. Brinkas transferred 48 embryos in a forty-five day span. Then Brinkas bred her to have a natural calf in the Spring of 1979. Miss BB Deacon 193Y is a four year old Brangus daughter with her third calf at side. Her first calf, Miss BB Kojak 1931, was born when she was 24 months old. She was recently sold to H. B. Lively, Hondo Creek Ranch, Bandera, Texas, for \$30,000. Her second calf, Miss BB General 193Y, was the 1978 International Heifer Calf Champion and Reserve Grand Champion, 1978 Tucson
